IT IS ORDERED that the request by a non-party for a CD or a transcript of the testimony of a specific witness (filing 133) is denied without prejudice. The case has not been completed and the non-party has given no reason why such a party reasonably needs access to a transcript or CD of a witness's testimony prior to the completion of this case. If, after this case is completed, the non-party wishes to submit a similar motion the court will consider such a motion at that time.

DATED this 7th day of December, 2009.
